Unicorn Mount Quest

By Slyde

This guide does not include details that are provided in the text of the quest. Instead, it provides travel tips, location coordinates, time estimates, level requirements, mob levels, and other information to help you get through this quest line. All quests provided accurate waypoints for the mobs and NPCs.

Required Factions: Unicorns of Silverlake

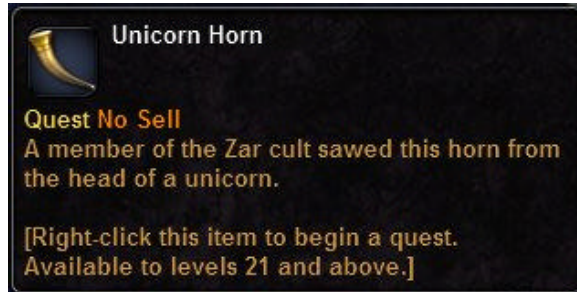

Recommended Bind Spots: Darkhorse Downs near Lomshir – next to rift stone (during Part 2 bind in the city of Lomshir). Later on, bind at The Deebs.

Note: I started this quest line with a 21 Cleric (2-boxing a 47 Rakurr Shaman). Also, I did this with Randolph the Flying Reindeer, so my travel times were faster than normal, but I adjusted my estimates accordingly.

Time to complete quests will vary depending on a variety of factors (competition for mobs, grouped/solo, level, run speed, Riftway usage, levitate, etc...)

Part 1: ~4.5 hours, 3 Quests (1 Task), ~150 kills

- **Location:** Congregation of the Zar (-1600, -24500, 50500 in Silverlake (-25 27)) east side of lake, or on the island.
- **To Get Here:** Riftway to the Deebs, run one chunk south.
 - **NPC: Myrthion** the Unicorn on Unicorn Rock (-34800, -75600, 52800) in Silverlake (-25, 27)
 - **Task:** Kill Zar Ritualists until you get a **Unicorn Horn** (may drop off other Zar as well)
 - **Required Level: None**
 - **Faction:** Unicorns of Silverlake **(+1)** Zar Crystal Disciples **(-1)**
 - **Mob Level:** 21-22 3-dot
 - **Kills:** Random drop (got mine in 3 kills)
 - **Time:** 10 minutes (travel) 10 Minutes killing

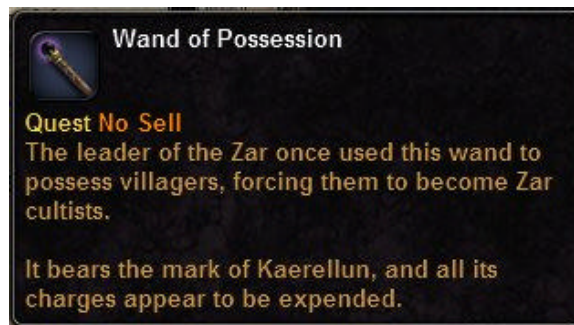

- **Quest #1: The End of Innocence.** Right-click the **Unicorn Horn** to get the quest.
 - **Required Level: 21**
 - **Faction: Unicorns of Silverlake (+1)** Zar Crystal Disciples **(-1)**
 - **Mob Level:** 21-22 3-dot, Zar (the Leader) is 22-23 4-dot
 - **Time:** 2-3 hours or more.
 - **Part 1: Collect Flowers** (Flowers are found near the Congregation of the Zar and on the Island of Zar. Once you pick one, the item description will tell you how many you need to collect – 40 Yellow, 30 Red, 30 Violet). Be prepared to kill a lot (125-150) of Zar, as they are very close to the flowers.
 - **Kills:** 125-150
 - **Time:** 2-3 hours or more.
 - **Tip:** In a group only one person needs to collect the flowers and summon Zar. Everyone in the group will get to loot a Wand of Possession.
 - **Note:** If doing this solo it is possible you could 'run out' of a certain color of flower. When I had gathered 40 Yellow and 30 Violet I only had 12 Red. Since I was unable to harvest any more Yellow or Violet, eventually there were no more Red (all spawns were Yellow or Violet). I had to get the quest on an

alt and harvest the Yellow & Violet until more Reds spawned. A better option (suggested by **Goulia**) is to put the flowers in the bank (one in nearby Lakeview), then you will be allowed to harvest all of the colors again. Once you collect what you need, and retrieve those in the bank, you may need to re-log to get the quest to update.

- **Part 2: Slay the leader of the Zar** (take the 100 flowers to the alter on the Island of the Zar. Kill all of the Zarr followers on the alter. Right-click on the alter to summon Zar. Kill him and loot a Wand of possession.
 - **Kills:** 4-5 (those on alter plus Zar)
 - **Time:** 5-10 minutes

- **Part 3:** Bring the Unicorn Horn and the wand of possession to the unicorn Myrthion on Unicorn Rock (on a hill directly north of Silverlake). Note: there are other unicorns near the rock – the one for the quest is Myrthion.
- **Quest #2: Myrthion's Cousin** (escort Laefel)
 - **Required Level: 21**
 - **Time:** 40 minutes (round-trip travel)
 - **Part 1: Speak With Sergeant Fisher**
 - Travel to Fisher's Pen (92200, 87700, 26550) in Ocean Watch (-27, 28). You can take the route through the Trengal Keep chunk, or go through The Deebs, which may be safer. Speak to Sergeant Fisher, he tells you that Laefel is on a hill to the west.
 - **Part 2:** Find Laefel (64000, 80400, 37800) and escort him back to Unicorn Rock.
 - **Note:** It appears that each member of a group must escort Laefel separately.
- **Quest #3: Journey to Shadow's Edge** (find the unicorn Adaenyl near Lomshir in Qalia)

 - **Kills:** Random (could be as low as 2)
 - **Tip:** I killed several Witchdoctors outside the hut with no luck. The first two I killed inside the huts dropped the 3 keys. Lots of adds, so be careful.

- **Quest #6: Testing the Finder** (Re-establish contact with Raynien the unicorn)
